# Compact

**Compact** is a capsule machine with an easy and elegant design, ideal for any kind of space. Available in two versions, **Compact** and **Compact Up**. They stand out for the large pan which could contain up to 25 exhausted capsules and its compact dimension, that guarantes the extraction of an autentic Italian espresso with small spaces.

**Compact Up** has been developed with the aim of improving coffee delivery extraction and to manage the machine usage parameters through a dedicated Mokador app.
